WORK EXPERIENCE

MoCaFi, New York, NY — *Senior UX Designer (Feb 2025-Aug 2025)*

0-1 design of a call center web portal serving over 3.5 million enrollees. Redesigned landing pages for a major federal benefits provider.

Fidelity, Newport, NJ — *Senior UX Designer (Mar 2023-Feb 2025)*

Redesigned a cloud-based trading application replacing 200+ legacy mainframe screens, boosting efficiency and reducing costs for over 12K trading associates, while driving user satisfaction up by 25%.

Finastra, London, UK — *Senior UX Designer (Oct 2022-Mar 2023)*

Created a DV01 foreign exchange risk analytics dashboard and enhanced Finastra's Kondor suite by adding forex functionalities, resulting in a tenfold increase in transactions.

Capital One, New York, NY — *Senior UX Designer (Dec 2021-Sep 2022)*

Designed a modular template for retail credit outcome experiences across 20+ retail partners, developed end-to-end workflows for multiple branded credit programs.

Finix, San Francisco, CA — *UX Lead (Mar 2021-Dec 2021)*

Redesigned a payment integration SaaS platform to improve the experience of 12,000+ merchants, built a scalable modular design system in Figma, and spearheaded new application design.

Neuragenie, Allen, TX — *UX Lead (May 2020-Mar 2021)*

Led the design of an AI-driven search startup incorporating social search and chat functions, developed high-fidelity prototypes and brand assets.

Equifax, St. Louis, MO — *UX Designer (Aug 2019-Feb 2020)*

Maintained and designed web pages for Equifax Workforce Solutions, collaborated with teams to create wireframes and prototypes, and optimized CMS components for improved layouts and content.

Wells Fargo, St. Louis, MO — *UX Designer (Aug 2017-Jul 2019)*

Designed a client portfolio assessment dashboard impacting 12,000 financial advisors, providing high-fidelity designs, documentation, and QA to ensure adherence to UI style guides and improve platform usability.
